Working group updates	DW	
<i>Social media</i> – going well with over 300 members of the Facebook group and good		
interchange of postings from CNHC. Twitter community is slower to build and blog is		
available – Town Hall day will help awareness.		
<i>Social Prescribing</i> – going well with training for staff undertaken and first sign		
posting for patients has in play.		
Youth Forum – given examination schedules, etc will look for a next steps at the		
beginning of the next academic year. Contact has been made with correct people at CN		
School to ensure success.		
CNHC help required/requested		
Discussions re what can the PPG do to help CNHC. Items discussed were:		
• How to engage with volunteers?		
now to engage with a wheel demographic of the patient base.		
Work experience at CNHC		
Feedback was taken and BG indicated an interest in discussing further with CNHC.	BG	
AOB		
NOLF – PB will continue as representative for CNHC		
<i>Mental Health Nurses</i> – has been a very positive change for CNHC and has received		
great feedback from patients and doctors alike.		
<i>CNHC systems and processes</i> – CB offered to help any member of the PPG Steering		
Group gain a greater understanding if so wished. Members should contact CB directly		
to arrange	DW	
<i>Survey data</i> – data is available from the Friends and Family surveys for analysis - KC		
will provide to DW – newsletter article will be developed from data.
